

Winter Concert 2017

Thursday, December 7, 2017

Thursday, December 7th, the North Band Program will present its winter concert featuring all four concert bands and small ensembles. As noted in the syllabus, each ensemble is a performance based class that utilizes public performances as part of the learning process. All rehearsals and performances are equated into the nine-week grade for each specific semester. We are super excited with the progress that each ensemble has made this semester and look forward to wrapping up the semester with some holiday cheer and great night of music. The show starts at 7:00pm.

Below, please find information related to each specific ensemble. Part of the process is arriving on time, in the correct uniform, and consistently displaying a high level of concert etiquette throughout the entire evening. Students will not be permitted to perform if they are not in the correct attire. ***Students also will be required to stay through to the end of the concert and attendance will be taken at the beginning of the concert and at the end.***

Please contact the band office if you have any questions.

**PLEASE NOTE THE CHANGE OF
ATTIRE FOR THIS AND ALL
FUTURE PERFORMANCES**
